The Web's Largest Volunteer Engagement Network

VolunteerMatch is the web's largest volunteer engagement network, with more than 114,000 active nonprofits, 150 network partners and 13 million visitors annually.

Our Mission

We make it easy for good people and good causes to connect.

What We Do

Since 1998, VolunteerMatch.org has been where volunteering begins for millions of folks who've put their hands up to volunteer. And today, our tech solutions are powering volunteer engagement for a nation of businesses, campuses and government agencies.
